Conference will end at noon on Saturday, April 24th.

Registration is now open and will close March 29, 2010. This would be an excellent conference to meet up with your family afterwards for some wonderful sightseeing in beautiful Boston. There are many sights (and sites) to see, many wonderful places to eat and shop, and rich American history to soak into your pores! Did you see the John Adams mini—series on TV? Come see where many of those events took place! No need to rent a car – there is an excellent subway system.
